- November 2008 **Haemophilia Academy Training Course**, Edinburgh UK
- June/2006-June/2007 **ICDL**, International Computer Driving License, Core Certification, Version 4.0

Research Training:

- January 2011, **Advanced SPSS 17 Training Workshop**, RDCC Tabriz Faculty of Medical Sciences, Tabriz, Iran
- January 2010, **Preliminary SPSS 17 Training Workshop**, RDCC Tabriz Faculty of Medical Sciences, Tabriz, Iran
- January 2009, **Database Searching Workshop**, Tabriz University of Medical Sciences, Tabriz, Iran
- March 2009, **ISI Training Workshop**, Tabriz University of Medical Sciences, Tabriz, Iran
- March 2009, **Workshop of Good Clinical Practice (GCP)**, Tabriz University of Medical Sciences, Tabriz, Iran
- 14-15 November 2007, **Two days Workshop on Ethics in Research**, Liver and Gastrointestinal Disease Research Center, Tabriz University of Medical Sciences, Tabriz-Iran
- February-March 2007, **Workshop of Strategic Planning**, Research Vice Chancellor of Tabriz University of Medical Sciences, Hematology and Oncology Research Center
- 19-20 April 2007, **Excellence in Running Clinical Research Meeting** (Novartis), Tehran-Iran
- 4 May 2006, **Workshop of Reference Manager**, Research Council of Tabriz University of Medical Sciences

Memberships in Professional and Honorary Societies:

- International Association of Cancer Registry (IACR)
- International Society on Thrombosis and Haemostasis (ISTH)
- American Society of Hematology (ASH)
- Academic Staff of Hematology and Oncology Research Center, Tabriz University of Medical Sciences
- World Federation of Hemophilia (WFH)
- Iranian Pediatric Hematology and Oncology Society (IPHOS)

Research Projects:

International Co- Investigator:

12/2010-12/2014: Seven Treatment Evaluation Study (STER Project), FVII Deficiency Treatment Registry, International FVII Study Group.

Principal Investigator:

10/2017-Current: Mammographic screening to improve breast cancer stage in East Azerbaijan, Iran: a feasibility study

10/2017-Current: Survival and Time Trend Incidence Analysis of Breast Cancer: 10 Years Cancer Registry Data of East Azerbaijan

10/2016-Current: Development and Validation of Mass Screening Methods for Colorectal Cancer in East Azerbaijan

01/2016-Current: East Azerbaijan Population Based cancer Registry, Collaborating with Iranian National Cancer Registry Program

05/2016-Current: Molecular Epidemiology of Colorectal Cancer in East Azerbaijan: Cohort study (2016 to 2019)

07/2015-11/2015: Epidemiologic Profile of Colorectal Cancer in Iran: A Systematic Review and Meta-Analysis

05/2013-05/2015: Some of common KRAS and BRAF Mutations in Colorectal Cancer patients in Northwest of Iran.

04/2012-04/2013: Evaluation of Quality of Life in Patients with Hemophilia in Hemophilia Treatment Center of Tabriz Shahid Ghazi Tabatabai Hospital.

11/2011-Current: Evaluation of Diagnostic value of Different Imaging Techniques in Staging of Osteo-Arterial disorders in Patients with Hemophilia

09/2009-9/2010: Prevalence of Helicobacter Pylori infection and relation with Gastro Intestinal Bleedings in Patients with Hereditary Bleeding Disorders.

07/2009-10/2009: Website design of Hematology and Oncology Research Center and Online research proposal submission.

06/2008-06/2010: Evaluation of Factor Inhibitors in Hemophilia A and B Patients. Hematology and Oncology Research Center of Tabriz University of Medical Sciences, sponsored by Novonordisk Foundation and Ministry of Health

Fellowship and Residency Theses Co-Supervisor

10/2017-Current: Validity and Reliability of PG-SGA Tool & Quote; Assessing the Nutritional Status of Cancer Patients

8/2017-Current: Relation of HER2 Positive Breast Cancer Median Survival with CD44 marker Expression

8/2016-Current: Association of Clinicopathologic Characteristics and Outcomes with EZH2 Expression in Patients with Breast Cancer

8/2016-Current: Association of Clinicopathologic Characteristics and Outcomes with EZH2 Expression in Patients with Colorectal Cancer

12/2016-Current: Association of CD117&CD135 Expression with Overall Survival in Acute Myeloid Leukemia Patients

12/2015-9/2017: Evaluation of Complete Remission (CR) and Medical Complications with high-dose Daunorubicin Induction Therapy in AML Patients in Shahid Ghazi Hospital

Institutional Principal Investigator:

04/2012-Current: The Meaning of Self-Care for Hemophilic Patients.

02/2012-02/2015: Measurement of plasma and whole blood concentration of Taurine in Thalassemia patients and their relation with concentration of Iron and liver enzymes.

9/2009-2011: Evaluation of 25 Hydroxy Vitamin D Serum Level with prognostic factors in Breast Cancer. Hematology and Oncology Research Center, Tabriz Faculty of Medicine

11/2008-2011: Evaluation of Human Papilloma Viruses 16, 18 Infection Prevalence in normal population referred to Ghazi Tabatabai Hospital. Hematology and Oncology Research Center, Tabriz Faculty of Medicine

11/2008-2011: Evaluation of Human Papilloma Virus Status in Squamous Cell Carcinoma of Head and Neck in Tabriz. Hematology and Oncology Research Center, Tabriz Faculty of Medicine

05/2007-05/2009: Evaluation of response to Peg-Interferon and Ribavirin treatment in hemophilic patients referred to Hepatitis Clinic of Imam Khomeini Hospital and Sheikhorais. Liver and Gastrointestinal Disorders Research Center, Hematology and Oncology Research Center

12/2009-Closed: Hepatitis B virus reactivation in Hematologic Malignancy patients undergoing cytotoxic chemotherapy

6/2009-Closed: MRD (Minimal Residual Disease) and MTHFR Gene determination in patients with Acute Myeloid Leukemia (Type M3), Hematology and Oncology Research Center, Tabriz Faculty of Medicine

9/2007-9/2009: To determine the spectrum of the pathogens cultured from blood infection of febrile neutropenic patients and assess their antimicrobial drug resistance, Infectious diseases Research Center, Hematology and Oncology Research Center, Tabriz Faculty of Medicine

9/2007-9/2009: Screening for Vancomycin Resistant Entrococci in Stool Specimens Obtained In and Out Patients: Prevalence and Molecular Analysis, Infectious diseases Research Center, Hematology and Oncology Research Center, Tabriz Faculty of Medicine

9/2007-1/2009: Effects of Music Therapy on Procedural Pain and Anxiety in Patients Undergoing Bone Marrow Aspiration & Biopsy, Hematology and Oncology Research Center, Nursing & Midwifery Faculty

12/2005-4/2008: The Effects of Self Care Plan on Quality of Life in Leukemic Patients with Chemotherapy Hospitalized, Hematology and Oncology Research Center, Nursing & Midwifery Faculty

Invited Presentations, Speeches:

1. Results of the New Initiative to establish East Azerbaijan Population Based Cancer Registry (EA-PBCR) in 2015. International Association of Cancer Registry Annual Conference, Utrecht, Netherlands, 17-19 October 2017.
2. East Azerbaijan Population Based Cancer Registry 2015-2016: Preliminary Report. The International Congress of Cancer Prevention & Early Detection, 28-30 January 2017, Tehran, Iran.
3. Research Curriculum for Residents and Postgraduate Fellowships, Tabriz Faculty of Medicine, December 2015 – May 2016.
4. Systematic Review and Meta-analysis workshop, 2015 Research Development and Coordination Center, Tabriz University of Medical Sciences, Tabriz, Iran
5. Successful Management of Total Knee Replacement in a High Responder Hemophilia Patient with a History of Inhibitor, Case Presentation. Elective Orthopaedic Surgery 'Excellence ' Training Program, 2-4 May 2011, Milan, Italy.
6. Self-care and Self-treatment in hemophilia, Exercise for people with Hemophilia. Hematology and Oncology Research Center & Ministry of Health

- and Medical Education, Tabriz University of Medical Sciences. February 2008, 2 days.
7. Treatment and Nursing Managing of Bleeding Disorders, Hemophilia. Hematology and Oncology Research Center, Tabriz University of Medical Sciences, 21 June 2007.
 8. Preliminary Research Guidelines for beginner Researchers, Hematology and Oncology Research Center, Tabriz University of Medical Sciences. 31 December 2006 (8 hours).
 9. Evaluation of Ophthalmologic and Audiologic problems in patients affected with Beta Thalassemia in Shahid Ghazi center. 4th Congress of Iranian Pediatric Hematology & Oncology Society, 7-9 September 2006, Kerman, Iran.
